Improving Health System Performance

With special thanks to

The Commonwealth Fund is a national, private foundation based in New York City that supports independent research on health care issues and makes grants to improve health care practice and policy. The views presented here are those of the presenters and not necessarily those of The Commonwealth Fund, its directors, officers or staff.
As you know... Legislators face

"Going through all this information we have here is kind of like trying to drink from a fire hydrant."
Former CO Rep. Mark Paschall

"My seatmate told me this was a bad bill. I was going to vote no on it until I realized it was my own bill."
Former CO Sen. Ray Powers
