The Audit Division of the Office of Legislative Budget Assistant is conducting a search for a staff level performance auditor. This position offers a unique opportunity to be involved in a program evaluation organization where new and creative ideas are sought and encouraged. The position entails working on performance audits in accordance with established professional standards, from initial planning through field work to report writing.

The Audit Division must make determinations as to whether state agencies are making efficient use of their resources, the extent to which results desired by the Legislature are being met, and whether state agencies comply with appropriate laws, regulations, and contracts. The Division takes pride in its role in improving public accountability, with the goal of providing legislators, agency management, and the public with relevant information to aid in decision-making.

Required qualifications include a master’s degree in public administration, political science, social sciences, business, economics, or similar discipline. Excellent writing skills, demonstrated research experience, ability to meet deadlines, and to work effectively as a member of a team are also necessary.

The non-partisan Audit Division reports to the New Hampshire Legislature’s joint Fiscal Committee. The Division was established in 1969 to perform financial and compliance audits and currently has a staff of 24 professionals. Since 1987, the Division has been conducting performance audits. For more information regarding the Division and to obtain copies of performance audits visit www.gencourt.state.nh.us/LBA. Please forward a letter of interest and resume to:
