Medicaid Moving Forward

Cindy Mann, JD
CMS Deputy Administrator
Director, Center for Medicaid and CHIP Services
Centers for Medicare and Medicaid Services

Who is Currently Eligible?

Changes in Health Spending: 2006-2011 (by percent)
5% of Beneficiaries Account for More Than Half of Medicaid Spending

Cost per Type of Beneficiary

Delivery System Reform

• Broad-based Integrated Care Models
  – ACOs (e.g., CO, IA)
  – Multi-payer Episodes of Care (e.g., Ark)
• Targeted care delivery reforms
  – Health homes (enhanced federal funding)
  – “Superutilizer” initiatives
• Long term care services and supports
  – New federal options (enhanced federal funding)
  – Managed care
  – Duals demonstrations (alignment with Medicare)
Uninsured Rates, by Income

Enhanced FMAP for States

Who Will Not Have Coverage?

A diverse group of low-income adults, including:
- Parents of children states now cover
- Youth who “age out” of coverage
- Parents whose children “age out” of coverage
- Women Medicaid will cover when they are pregnant - but not before or after
- Older Americans too young for Medicare
- People with chronic illnesses and disabilities who could work if they had insurance.
FACES OF MEDICAID
