Thinking Differently: Opportunities for Improving Women’s Health

Wanda K. Jones, Dr.P.H.
Office on Women’s Health
U.S. Department of Health and Human Services
December 6, 2006
What Should We Know About

• The Health of Society?
• The Health of Women?
  • The Health of Men?
  • The Health of Girls?
• The Health of Boys?
Are the Issues the Same?
or
Are the Issues *Different*?

Does It Matter?
Women’s Health through the Generations
Women’s Health through the Generations
Women’s Health through the Generations
