

## Task Force on Innovations in State Health Systems

Tuesday, November 2 | 2 – 4:30 p.m.

JW Marriott Tampa Water Street, Level 2, Ybor Salon IV

### Session Overview:

The Task Force explores a variety of issues and opportunities faced by state policymakers as they reform their health systems. This meeting will focus on all-payer claims databases, which are large state-based databases that collect health care claims data from Medicare, Medicaid, state employee health plans and state-regulated private insurers. Policymakers, insurers, employers and other stakeholders can use claims data to make informed health policy decisions.
