Message from Affiliations Manager Rachel Katz, who organized LINCS tour:

I hope you and your group enjoyed the visit with C-SPAN last week—we had a wonderful time hosting them! Our tour leaders said every group was energetic and I loved hearing all of the questions people had throughout the session.

I wanted to send over a few links for you to pass on to the group to follow up to some of the discussion we had:

Social Media: We encourage everyone to start following us on [Twitter](#) and [Facebook](#).

Website and Video Library: Visit www.c-span.org for all of our programming information and to search the archives (over 230,000 hours of programming from C-SPAN!).

Education: [C-SPAN Classroom](#) is a free resource for social studies teachers and [StudentCam](#) is our student documentary competition.

Community: The C-SPAN Bus is currently on the [50 Capitals Tour](#). If anyone is interested in getting more information about when we will be in their state, email Heath Neiderer at hneiderer@c-span.org.

If anyone has other generic questions, please feel free to pass my email on.
