# NALIT Professional Development Seminar

Indianapolis, Indiana

September 12-15, 2016

# WHY ATTEND THE NALIT PROFESSIONAL DEVELOPMENT SEMINAR?

INDIANA STATE HOUSE

The NALIT Professional Development Seminar is the only meeting designed exclusively **for** legislative information technology professionals **by** legislative information technology professionals. This premier event features educational sessions, interactive demonstrations and exhibits, and unparalleled networking opportunities.

The agenda offers a mix of technical, policy and management sessions and provides opportunities to share solutions and discuss innovative uses of technology in the legislative environment. The seminar combines the experience and knowledge of legislative information technology staff with the expertise of industry representatives. The focus is on interacting and learning with peers and offering valuable lessons learned and successes achieved.

Please join us for a unique learning experience where you'll recharge, gain new insights and inspiration and meet or reconnect with colleagues from other legislatures.

A detailed agenda will be available soon. For more information [visit the meeting website.](#)
