

## Fiscal Year 2021 Dues Increase

Thank you for your continued support and participation with the NCSL Foundation. At the NCSL Winter Executive Committee Meeting the Foundation Board of Directors approved a modest dues increase effective July 2020. As you begin planning for 2021, this letter provides an overview of the board’s decision.

### What are the new dues?

Sponsorship Level	Current Dues	Dues—July 1, 2020
Platinum	\$25,000	\$30,000
Gold	\$12,500	\$15,000
Silver	\$7,500	\$10,000

### When does the increase go into effect?

The new dues will go into effect at the beginning of NCSL’s next fiscal year, July 1, 2020.

Our intention is to allow our sponsors time to budget for the dues increase. The board approved an option for current sponsors to phase in the increase over two fiscal years if needed. We are committed to working with you and your specific budget cycle so please contact us with any questions.

### Why did the Foundation increase dues?

Since its inception in 1982, the NCSL Foundation has awarded more than \$24 million to NCSL to support its mission of strengthening America’s legislatures. Additional revenue will allow the NCSL Foundation to expand its annual awards to key programming areas, creating unique opportunities for sponsors to engage with the state legislative process. As with all Foundation revenue, new funding will be directed to critical programming and key initiatives as approved by the Foundation board.

### Who can I talk to for more information?

We are committed to our partnership, please contact a Foundation staff member with any questions or concerns.
