CAMPAIGNS & ELECTIONS

2. “Voting tech standards: what legislators need to know.” The Canvass. Jan. 2013. P. 1-6. (The National Conference of State Legislators predicts that voting technology will be a growing concern for state legislators in 2013 and that it will continue for the next several years. This issue takes a look at voting standards.)

22. Green, Linda V. Et al. “Primary care physician shortages can be eliminated through use of teams, nonphysicians and electronic communication.” Health Affairs. Feb. 2013. Vol. 32. No. 1. Pg. 11-17. (Implementing increasingly popular operational changes may help offset the increase in demand for physician services while improving access to care.)

INSURANCE

25. Kevin-Myers, Bridget. “What now for health insurance exchanges in Missouri?” Institute for Public Policy. Harry S Truman School of Public Affairs. 6 p. (Missouri voters passed a ballot measure that prohibits the adoption of a state-based health insurance exchange without legislative or voter approval, thus missing the deadline established by the Affordable Care Act. This paper concludes the ballot measure, as enacted, could have detrimental effects on the functioning of a federal insurance exchange.) VF: Insurance-health.
