NCSL
NATIONAL CONFERENCE OF STATE LEGISLATURES

National Association of Legislative Information Technology (NALIT)

Professional Development Seminar
Oct. 1-4, 2019 | Boise, Idaho

Is this seminar for you?

The **National Association of Legislative Information Technology (NALIT)** Professional Development Seminar brings together state legislative information technology professionals who are interested in advancing the effectiveness and efficiency of state legislatures through technology.

The agenda offers interactive networking opportunities, educational sessions, tours, legislative showcases, vendor exhibits, and briefings at the Idaho State Capitol.

Sessions are designed for legislative information technology staff and feature a mix of technical, policy and management sessions. Speakers combine the knowledge of industry experts and the experience of legislative IT staff. Enjoy the opportunity to compare experiences and discuss innovative uses of technology in roundtable sessions and small group discussions.

Please join us for a unique learning experience where you'll recharge, gain new insights, take home fresh ideas, and reconnect with colleagues from across the country.

Friday's Can't-Miss Keynote

Don't miss keynote speaker **John Strand** on Friday, Oct. 4 at 9-10 a.m.! Strand has both consulted and taught hundreds of organizations in the areas of security, regulatory compliance and penetration testing. He is a coveted speaker and much-loved SANS teacher. Strand is a contributor to the industry-shaping Penetration Testing Execution Standard and 20 Critical Controls frameworks. He will share a collection of tools you'll have at your disposal when you need them.
