To Whom It May Concern:

On behalf of attendees at the 2007 National Association of Legislative Information Technology (NALIT) Professional Development Seminar, please accept our enclosed donation of \$210 to the Mini O'Beirne Crisis Nursery. Each year, the NALIT Seminar holds a charitable raffle during our seminar, which was held this year in Springfield, Illinois on September 26-29. NALIT has chosen to donate funds raised from the raffle this year to the Mini O'Beirne Crisis Nursery.

NALIT is an association of information technology staff from the 50 state legislatures, commonwealths and territories. NALIT is affiliated with the National Conference of State Legislatures, a bipartisan organization that serves the legislators and staffs of the nation's 50 states, its commonwealths and territories. NALIT serves to provide a network for information exchange, to improve communications between legislative information systems staff and the legislators they serve, and to enhance the professionalism of the members of the association. .

Attendees representing legislatures in approximately 35 different states made individual contributions to show our support for the crisis nursery and its work.

Sincerely,

Pam Greenberg
NCSL Liaison to NALIT
