

STANDING COMMITTEE STAFF CHAIR'S AWARDS

Cheryl Reinhart, Staff Attorney, Arkansas General Assembly

This award recognizes Cheryl Reinhart for her dedicated service to the Arkansas General Assembly and her active participation in NCSL. Cheryl works for the Arkansas Bureau of Legislative Research as a legislative attorney for the House and Senate Education Committees, and as the staff attorney for the legislative oversight committee responsible for the Arkansas Lottery Commission. Before joining the bureau in 2005, she practiced law in the areas of business and corporations, securities and real estate.

Along with solid knowledge of education law and education issues facing state legislatures, Cheryl brings a great deal of enthusiasm and creativity to her work as staff chair of the NCSL Standing Committee on Education and co-chair of the Steering Committee for the Legislative Education Staff Network. She is always friendly and willing to take on new challenges and projects and is a great example of how much staff contributes to the standing committees.
