Readiness and Environmental Protection Initiative (REPI)

NCSL Military and Veterans’ Affairs Task Force

NCSL Legislative Summit

6 August 2012
Military Airspace and Training Routes in Georgia
ON THE EDGE OF ENCROACHMENT...

MOM!
What is REPI?

- REPI supports partnerships authorized by 10 U.S.C. § 2684a among the Military Services, private conservation groups, and state and local governments.

- OSD Manages REPI as an internal-DoD program, issuing guidance and providing funding to the Services for projects.

- Services implement REPI projects, including projects not receiving REPI funding that only use Service O&M funding.
REPI Funding and Request Levels

Millions

- Combined Service Funding Request
- Presidential Budget Request
- REPI Appropriations

FY05 FY06 FY07 FY08 FY09 FY10 FY11 FY12 FY13
REPI multiplies taxpayer dollars:
For each REPI dollar, return was ONE Service dollar and TWO partner dollars
Joint Base San Antonio, Texas
(Camp Bullis)

- Protects field training for all student medics in the Department of Defense
- Conserves habitat for the golden-cheeked warbler
Fort A.P. Hill, Virginia

- Protects all purpose, year-round live-fire and maneuver training
- Innovative combination with historic preservation and habitat conservation
Joint Base Lewis-McChord, Washington

- Protects airfield noise zones and supports artillery and Stryker training
- Includes habitat preservation and management of Puget lowland prairies for multiple at-risk species
Naval Air Station Patuxent River and Atlantic Test Range, Maryland

- Protects land under special use airspace and training routes for Navy aviation research, development, test, and evaluation (RDT&E)
- Supports Chesapeake Bay watershed and rural agriculture
