McCain said his rival "was wrong about **Iraq** and the surge. He was wrong about Russia when they committed aggression against Georgia. And in his short career he does not understand our national security challenges. We don't have time for on the job..."

[Iraq](#)

"These are dangerous tasks," Obama said. "And there are still those with bombs and bullets who will try to stop **Iraq's** progress. The hard truth is we have not seen the end of American sacrifice in **Iraq**."

"In the quest for alternatives to **oil**, our government has thrown around enough money subsidizing special interests and excusing failure. From now on, we will encourage heroic efforts in engineering, and we will reward the greatest success..."

[oil](#)

"It seems as if permits were too often issued based on little more than assurances of safety from the **oil** companies," President Obama said
