Bottom Navigation Bar: Includes commonly used links that will be available on all pages within iLegislate. Also includes link to the iBooks application which contains the Colorado Revised Statutes (CRS).

Bill Info Page — Feature Summary

Basic Bill Information Details:

Bill Number & Title: Contains the bill number, the long and short bill titles, and the prime sponsors in the House and Senate.

Last Action: Summary of the last legislative action taken upon the bill.

House & Senate Committee Assignments: List of committees to which bill is assigned.

Staff Contacts: Lists the bill's drafter and JBC and Fiscal Note analysts. Emails to any of these staff can be initiated by clicking their name. The phone numbers can be added to the iPad's contacts if clicked on.

Legislator Input Section:

I plan to vote: Selection will color code (Green for Yes, Red for No, etc...) the Bill Info link and will be displayed accordingly wherever the bill is listed within iLegislate.

Comments: Allows you to add comments related to the bill.

Watch Bill: Check box adds bill to Bill Watch list and should be selected for bills of interest.

Save: Button required to save updates made within the legislator input section.

Bill Information and Related Documents:

Personal Vote Counts: Allows you to create vote sheets to track which members are in support or opposition to a bill.

Bill History: Action summary of bill beginning at introduction through the Governor's action.

Bill Documents: Lists the various versions of bills, committee reports, fiscal notes and JBC staff analysis published by legislative staff. The documents can simply be viewed or annotated and emailed.
