

Overview of NCSL Webinars

- They are set up by NCSL
- Training without travel
- Can be targeted to legislators or staff or both
- *Usually* simple PowerPoint slides
- May include interactive surveys/audience polls
- Participants may type comments in the "chat box"

Welcome to the Keeping Up With Technology Webinar

Dial (000) 000-0000, and ask for
the Keeping Up With Technology
Webinar to hear the audio.

Webinar Instructions

- Midway through the webinar we will include several audience surveys
- Groups will need one person at the computer ready to cast your vote
- This person will also need to type questions and other responses for your group
- We will move quickly through the votes, so get ready and go with your first instinct
