3 **RESOLUTION:** **NATIONAL CONFERENCE OF STATE**
4 **LEGISLATURES OPPOSES THE STATE VIDEO**
5 **TAX FAIRNESS ACT**

6 **TYPE:** **RESOLUTION**

7 WHEREAS, Section 602 Telecommunications Act of 1996 prohibits political subdivisions
8 of state governments from imposing and collecting taxes and fees on direct broadcasting
9 satellite services (DBS); and

10

11 WHEREAS, Section 602 also preserves the authority of the states to impose and collect
12 such taxes and fees on DBS and to remit some or all the proceeds of such taxes and
13 fees to its political subdivisions; and

14

15 WHEREAS, the Congress prohibited such taxation by the states' political subdivisions
16 not to provide the DBS industry with a tax advantage over other providers of video
17 services but to spare the DBS industry, at that time a fledgling industry, from the
18 administrative burden of collecting and remitting taxes to over 7,500 taxing jurisdictions;
19 and

20

21 WHEREAS, some states have recognized that DBS' exemption from the administrative
22 burden of local taxation has created a competitive advantage for DBS over other
23 multichannel video service providers and have achieved tax parity by enacting statutes
24 that impose a state tax rate on DBS that appropriately takes into account all the state
25 and local taxes and fees paid such other providers; and

26

27 WHEREAS, some states have remitted some or all of the proceeds from such taxes to
28 local jurisdictions as permitted by Section 602; and

29

30 WHEREAS, the State Video Tax Fairness Act would label such tax arrangements as
31 discriminatory taxation; and

32

33 WHEREAS, the State Video Tax Fairness Act would interfere with state tax authority
34 over multichannel video programming services, including digital broadcasting satellite
35 services and reverse state action upheld by state and federal courts to ensure the parity
36 in the tax treatment of multichannel video service providers; and

37

38 WHEREAS, the State Video Tax Fairness Act would freeze into place the preferential
39 treatment that DBS providers currently have over other multichannel video providers and
40 prevent states from fairly equalizing the total tax burden imposed on these services;

41

42 NOW, THEREFORE BE IT RESOLVED, that the National Conference of State
43 Legislatures opposes the State Video Tax Fairness Act and;

44

45 BE IT FURTHER RESOLVED, that NCSL calls upon the Congress to resist this
46 unjustified interference into state efforts to create a tax neutral choice for consumers;
47 and

48

49 BE IT FURTHER RESOLVED that a copy of this resolution be sent to all members of the
50 113th Congress and the President of the United States.
