¹ On March 26, 2013 the President signed a continuing resolution into law to fund the government until September 30, 2013.

² Released April 10, 2013

³ An additional \$5 million was rescinded from the Brownfields program in unobligated funds

⁴ An additional \$10 million was rescinded from the CWSRF in unobligated funds

⁵ An additional \$10 million was rescinded from the DWSRF in unobligated funds

⁶ An additional \$15 million was rescinded from the Hazardous Substance Superfund in unobligated funds

⁷ Includes \$15 million set-aside designated for states that commit to strengthening their nutrient management efforts consistent with EPA's Office of Water (OW) guidance issued in March 2011

⁸ USDA funding estimates presented for FY 2013 are based on amounts provided by the Continuing Appropriations Resolution, 2013, P.L. 112-175. Therefore, the FY 2013 numbers do not reflect the enacted funding levels for the fiscal year that include the across-the-board reductions for most programs required by sequestration

Program	Enacted FY12	FY13 -Post Sequester (CR)¹	President's FY14 Proposal²
