7 NCSL urges Congress and the administration to continue to work with NCSL and its members
8 on alternatives to the REAL ID. NCSL supports efforts to extend existing deadlines until
9 obstacles to implementation are addressed. In addition, NCSL supports the use of waivers by
10 the Secretary of the Department of Homeland Security, for states that have adopted other forms
11 of compatible identification.

13 NCSL urges Congress and the Administration to work with NCSL and its members to adjust
14 Title II of the REAL ID Act and develop solutions in conjunction with NCSL that
15 recognize national security but do not impede the sovereignty of state licenses or place a federal
16 agency or agent as a permanent and ongoing authority for determining state license uses and
17 requirements.
