CHART OF CACFP STATE LEVEL PROGRAM DATA

The chart below displays program data for the Child and Adult Care Food Program (CACFP), a federal nutrition program administered by the Department of Agriculture Food and Nutrition Service (USDA-FNS). Listed are CACFP participation rates, federal payments, and number of meals served in FY2013. The “State Administrative Agency” column lists the administrating agency in each state. The child and adult component of CACFP are administered by two separate agencies in some states. In such cases, the chart lists both agencies and indicates which component it administers.
