

How Long Has it Been Since Your State Raised Its Gas Tax?

Years Since Last Gasoline Tax Increase as of August 1, 2015

* Utah will increase its gas tax rate on January 1, 2016.

** These states' gas tax rates change frequently because they apply their general sales tax to retail gas prices. Looking just at the gasoline excise tax, it has been 25.6 years since Illinois' last gas tax increase, 18.0 years in Michigan, 12.6 years in Indiana, and 8.1 years in Hawaii.
