

Building a City of Champions 4 Her

OUR WORK

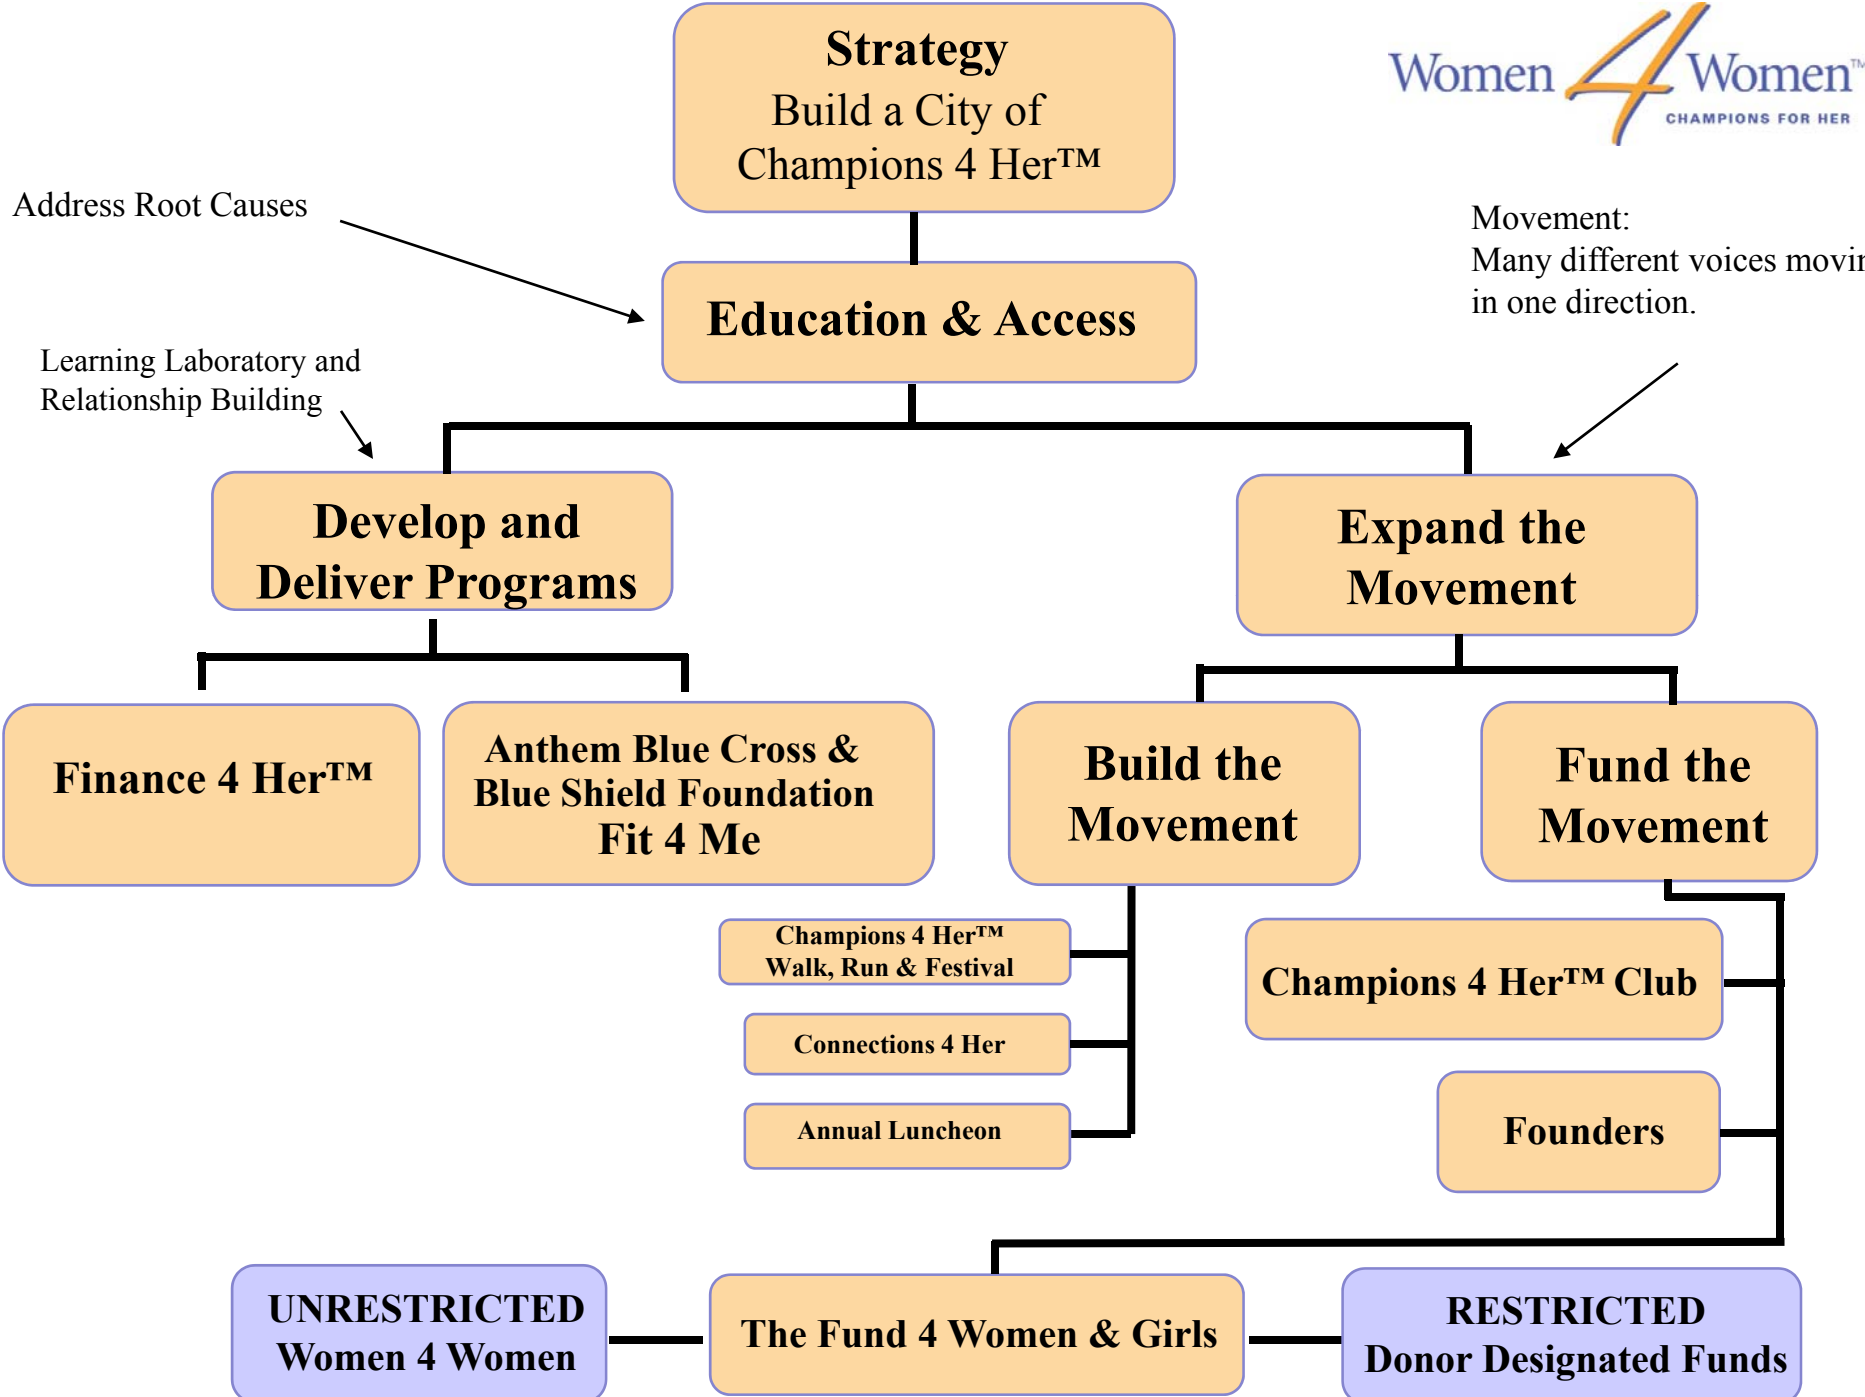

Women 4 Women is dedicated to improving the health and economic well-being of women and girls in our community through **education** and **access** because when women do better, families do better. And when families do better, the community does better.

The Future

Large-Scale Impact

Singular Focus

Perfect Timing

Entering phase of **long-term need** and **fewer resources**.

We must find ways to:

- make **better decisions**
- **understand** what resources we have
- connect & align services for **efficiency** and **effectiveness**
- **deploy** our time, talent and money more **strategically**

Thank you!
