

HEALTH INSURANCE EXCHANGES

State Actions Update

Martha Salazar
Policy Specialist, NCSL Health Program

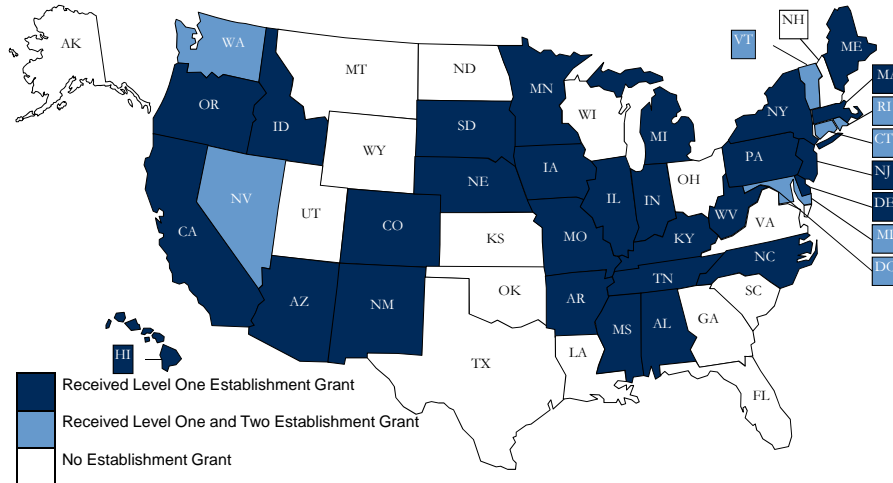

What is Required?

- Every state must have Exchange(s) for individuals and small businesses (up to 100 employees), effective Jan. 1, 2014.
- Decision to make:
 - Will it be a state-based exchange, federally facilitated exchange or a partnership?
- Exchange health plans must offer a minimum level of coverage.

Federal Establishment Grants to States
