

QUICK RESPONSE TEAM

Huntington, West Virginia

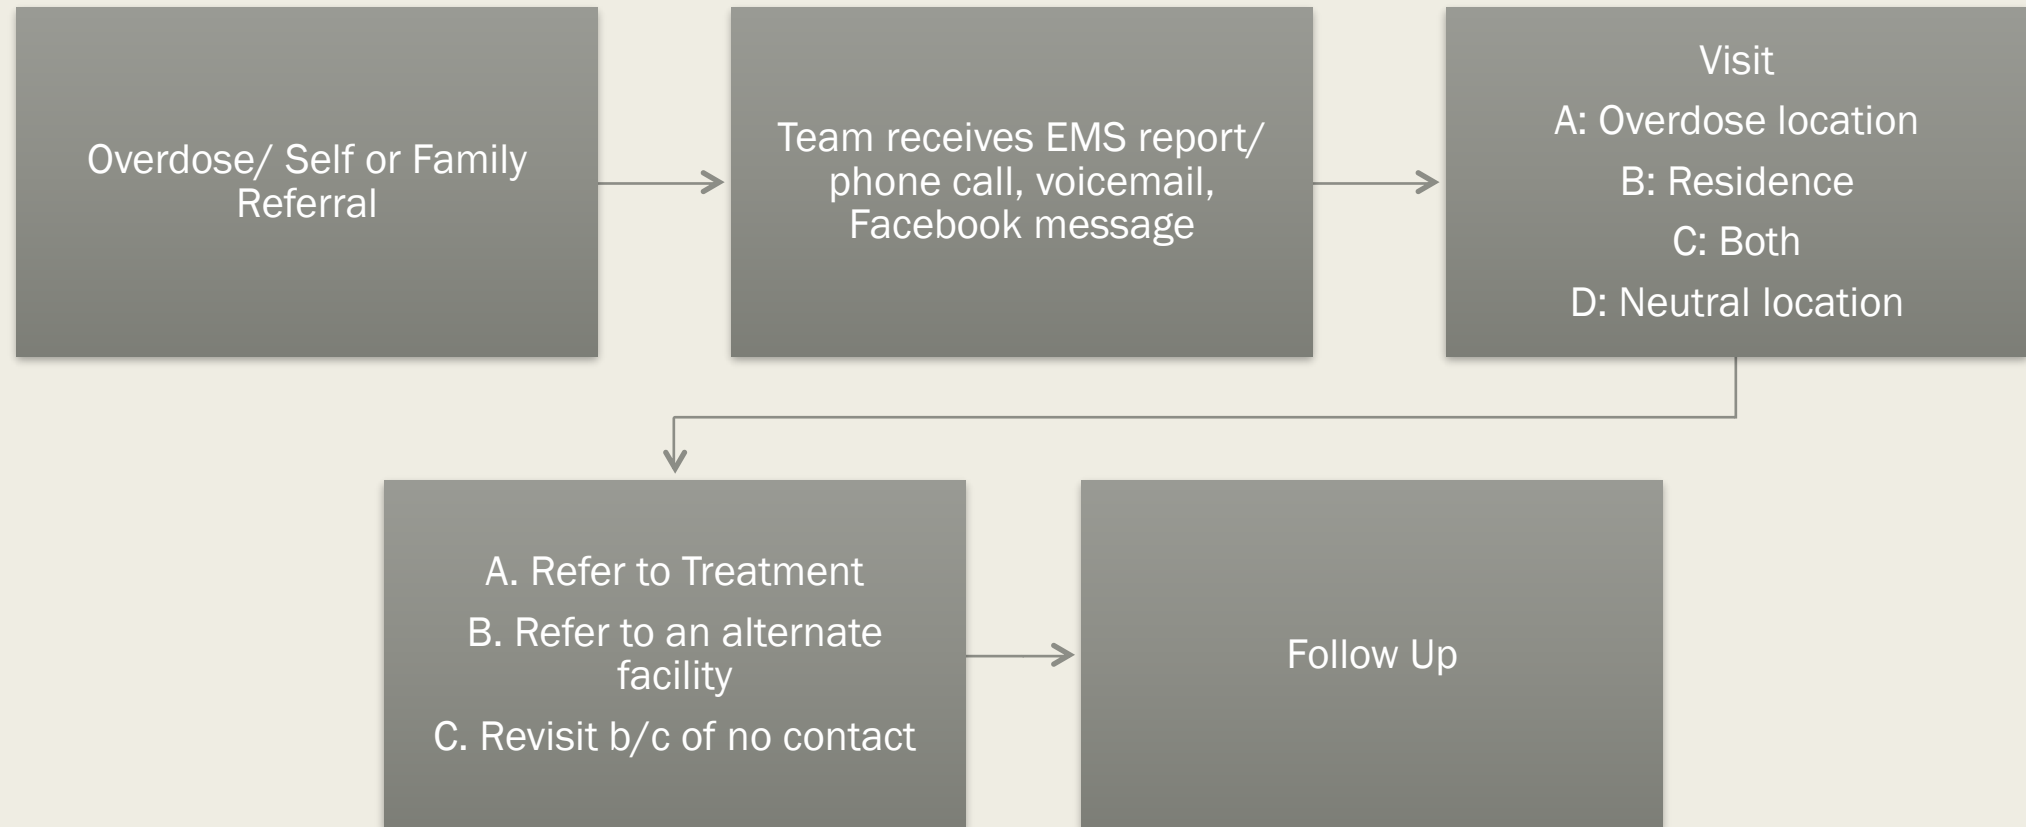

Larrecsa Cox, NREMT- P, RBA

Who We Are & Why

- Huntington Police Department
- Counselors/ Peer Coaches
 - *Presteria*
 - *Recovery Point*
 - *Huntington Comprehensive Treatment Center*
- Faith Leaders
- Cabell County EMS
- Flood of individuals overdosing/
increase of drug use
- No referral to treatment after an
event
- A lot of talk, with little walk

The Process

What We Do & When

- Engage individuals with Substance Use Disorder (SUD)
- Reduce barriers to treatment
- Provide options toward recovery
- Connect to individuals to treatment
- Support & guide through the process
- Provide Narcan and CPR Kits
- Within 72 hours of an overdose
- After family, friends or the client calls to seek treatment
- Immediately after an overdose
- Monday- Friday, 12p-8p

How: 8 Easy Steps

1. Recognize that there's a problem.
2. \$\$\$.
3. Care.
4. Network within the local community and beyond.
5. "You're NOT in trouble."
6. Earn their respect, quickly.
7. Be kind, yet direct.
8. Follow up and follow through.
 - *Phones*
 - *Software for data collection*
 - *Vehicle & office space*

What We Have That's Working

- Cabell- Huntington Health Department
- PROACT
